RE: CWB Certification

Thank you for renewing your company's certification to CSA Standard W47.2.

For 65 years the CWB has been ensuring the safety of welded structures in Canada through our certification services. As a CWB certified company you are part of this process, and have shown that you understand and support the use of Canadian standards for the protection of Canadian citizens. At the CWB Group we also recognize that welding is more than just certification. As such, we offer a range of complementary services that can help you source welders, create a more optimized shop floor, and expand your business to service a wider client base. For more information on all the services, we offer please visit our web site: www.cwbgroup.org.

We always appreciate your feedback, if there are any questions regarding your certification status or the services we provide please let us know.

Yours truly,
CANADIAN WELDING BUREAU
